Please note:- Courses will only be provided if there is a viable number of students enrolled after Results day on Thursday 23rd August 2018. Parents and students will be communicated with by March 2018 if the school believe there is a risk of any subject not being offered.

If after enrolment the Sixth Form has offered all of its available places for a subject, applicants will be placed on a waiting list and will only be able to change options if courses become available.

Level 2 Curriculum – Year 12 Pathway 2018-19

For students not achieving the entry criteria for a Level 3 pathway the following Level 2 course is available over one academic year. All students are required to take or work towards GCSE Grade 4 in English Language and Mathematics as part of their Level 2 Study Programme, if they have not achieved this already. A Level 1 or 2 qualification in Food Preparation and Hygiene will be offered to all students studying on this course as well as the opportunity of Work Experience with Chartwells Catering Company on the school site.
